MANAGEMENT DIVISION
Dear Sirs and Mesdames:

Ashland Chemical's IC&S Denver facility located at 3350 South Zuni, Englewood, CO 80110, is covered by EPA Generator Identification No. COT090010026. The purpose of this letter is to notify you that, as of October 1, 1989, Ashland Chemical, a Division of Ashland Oil, Inc. will become Ashland Chemical, Inc., a wholly-owned subsidiary of Ashland Oil, Inc. This corporate restructuring will not affect daily operations at the IC&S Denver facility.

Please call if you have any questions.

Very truly yours,

Paul D. Swartz
District Manager
